

## WingTsun Australia Membership Cancellation Form

WingTsun Australia membership is compulsory for WingTsun students. Resigning from your local school does not mean that you have to resign with WingTsun Australia. You can still be a part of the WingTsun Australia and be able to attend seminars and maintain your graduations.

If you would like to resign from WingTsun Australia, you must first cancel your local school contract before you can cancel the WingTsun Australia Agreement. Please attach a copy of your school cancellation which is signed by the school owner.
